Access to Justice

AgamiAlliances and Initiatives in India around making Justice more accessible to everyone.

1. **AgamiAgamiAgamiAgamiAgami[Agami](#)** - A movement of ideas and people seeking to transform the experience of Justice in India. Their website has many resources around this including list of orgs, events, free books etc if you are interested.
2. **The Justicemakers Mela 2024** - A two day gathering of 600 justice changemakers innovating to boldly transform the field of law & justice. Through stories, co-creation, games and the arts, we'll grow together in our efforts to effect lasting change in law and justice.
3. **PAAR -** Open Prisons work, research and advocacy.
4. **Zenith** - We build capabilities in community members through an ecosystem of resources, skills and tools of law to identify and voice their struggles, and act towards designing innovative justice solutions
5. **OutLawed India** - Working towards an India where every person can independently engage with the law to better their everyday lives.
